Rules

- 1) The more locally sourced the ingredients, the more chance you have of potential success (Norris Stores springs to mind)
- 2) Give you entry a lot of thought beforehand (Maybe ponder your ideas over a latte in the lovely post office)
- 3) There will be no attempts by entrants to befriend Mrs Peach in the lovely post office and coax her into cooking your cakes for you!
- 4) Decide how you would like to display your entry (Treagar Pottery could come in very useful)
- 5) The judges cannot be bought, manipulated, bribed in any shape or form (not cheaply anyway)
- 6) The judges decision is final, there will be no cake-throwing in bad sportsmanship, if you lose.

Good Luck !!

Entries Fee £2.00 per class
