### Keep Warm and Well in Whitwell

The Footprint Trust is able to provide free, impartial energy guidance to anyone on the Isle of Wight. At the home visit, help will be given to use electricity and water wisely, helping to reduce bills whilst keeping warm and well. The Trust can also help with information about switching, which tariff to be on, the use of night storage heaters, etc.

A small amount of financial assistance is also available to people living in the Whitwell area who have particularly cold homes, or are particularly vulnerable especially to cold. This includes:-

- Those on benefits
- Those over 60
- Households with children under 19
- People spending more than 10% of their income on electricity, oil or LPG, or logs

If you or someone you know may benefit from this service, or if you have any questions about this scheme, please contact

THE FOOTPRINT TRUST on  
82 22 82, or  
email [don@footprint-trust.co.uk](mailto:don@footprint-trust.co.uk)
