SUPPORT LOCAL  
SHOP LOCAL  
LOVE LOCAL

Everyone has been affected by the lock down especially our local businesses, many of whom have had to close completely with a total loss of income.

They have supported our community during lock down in so many different ways.

Please now support them as lock down measures are lifted.

## Chale Bay Farm

We've been doing our best to support people during this difficult time making available our apartments to people with a legitimate need for accommodation allowable under the regulations at "cover our costs" prices during the Lockdown as well as free of charge to NHS workers. Having lost all of our Easter trade and with the possibility of losing our summer business too we would really appreciate it if you could consider recommending us to your friends and family when the lockdown is over. For direct bookings recommended by local islanders we can offer a generous discounts 10% as well as knocking off the commissions normally payable through online booking agencies. To find out more about our four apartments take a look at our website at [www.chalebayfarm.co.uk](http://www.chalebayfarm.co.uk) and for this discounted pricing email us at [reservations@chalebayfarm.co.uk](mailto:reservations@chalebayfarm.co.uk).

### Clark Associates IOW Ltd

We provide technology and marketing services and a major part of our activity is looking at specifying Wi-Fi and automation for businesses operating in hospitality. During the crisis we've turned over our 3D printers to printing face visor frames and mask strap ear relievers and have delivered over 1000 items of PPE to the NHS and care homes with most of it going via the IOW 3D Printing Group here on the Island.

## **Niton Undercliff Garage**

As everyone is aware it has been a difficult time recently and we have all been effected in one way or another.

It's great to be part of Niton's business community and be able to support people here especially during the lock down.

At the garage we have been open throughout for essential and emergency repairs, but we are now back fully up and running!

We are able to MOT, service, repair and carry out diagnostics on all makes of vehicles. We also supply and fit tyres, as well as carrying out puncture repairs.

If you have any motoring needs or would like advice, do call in or give us a ring on 730411.

Take care of yourselves.

Phil and all at the garage.

The Jolly Fryer mobile Fish and Chips is once again visiting Niton on a Friday!

We are here between 4.30pm and about 7.30pm. We're located in the Library car park as always and CRAB Niton are currently assisting in keeping you safe in terms of distancing etc.

During this uncertain period we are encouraging telephone orders, placed in advance.

These can be placed at any time from Mondays at 9am until the cut off time of 12 Noon on the Friday.

Please understand that since only two of us can be working at present we are going flat out to help everyone but we can only do so much.

Inevitably some may be disappointed if they phone in late.

Please don't place orders by text message nor leave them as voicemail if your call isn't answered.

Our menu, as well as more information on where we are on other days can be found on our website [www.thejollyfryer.com](http://www.thejollyfryer.com)

We are also on Facebook, simply "like" us and you'll be automatically updated on any new developments – which currently can be quite often!
